

**Du'Wan L. Morrison**  
**Collection Manager – Signals Analyst – Counterterrorism Analyst**

2328 Westport Lane, Crofton, MD 21114

Email: [d1m003@yahoo.com](mailto:d1m003@yahoo.com) • Cell: (619) 261-4308

---

**Professional Summary**

Skilled SIGINT analyst and manager experienced in working in Navy fleet and National combat environments. Has provided training to Marines and Sailors in preparation to deploying to the 5<sup>th</sup> and 7<sup>th</sup> Fleet theaters. Recent experience as a counterterrorism analyst, performing network development of terrorist organizations and providing quick analysis on terrorist trends and activities. As a system administrator, was instrumental in the training curriculum and was able to tailor training scenarios to individual units needs. Provided helpful feedback to engineers during system stress testing and when overseeing a new SIGINT collection system.

---

**Technical Knowledge and Skills**

Currently 20 years of signal analysis and radio operation, along with nearly 2 years of network development and some DNR tools. Proficient in current and legacy signal analysis tools. Able to quickly learn new tools and concepts in an ever-changing environment. Experience in leading collection and linguist watch floors in high stress combat and fleet environments. Has four years of working with electromagnetic countermeasure systems in real-time.

Working knowledge with the following applications/sites: Palantir, Terrorism Identities Datamart Environment (TIDE), MARTES, Word, Outlook, Excel, Lotus 1-2-3, Word Perfect, C2PC, DVT, WVT, Multimedia Message Manager (M3), Tripwire Analytic Capability (TAC), BASIC, GCCS-M, GCCS-J, DRT, HITS, BE3, BLUESTREAM, Jabber, mIRC, DOS, UNIX, Linux, FrontPage 2000, and RFMP.

Limited knowledge with the following applications/sites: METRICS, Pearl, HTML, C++, C, Visual Basic, Analyst Notebook, Falcon View, Google Earth, RADIANT Mercury, and Builder.

---

**Professional and Military Experience**

**Senior Intelligence Analyst • BAE Systems, Inc • McLean, VA • December 2018 – October 2020  
(contract changed to The Buffalo Group October 2020)**

- Regional Desk Officer • Pentagon Support Branch – DIA/J2 • Washington, DC • December 2019 – October 2020
- Volunteered to be a DCTC Regional Desk Officer/Counterterrorism Analyst at the Pentagon reporting on emerging and continuing terrorism threats for the subsequent production of the Chairman of the Joint Chiefs of Staff Daily Intelligence Briefing, placemats, talking points, and briefings.
  - Counterterrorism Network Development Analyst • DIA/MARC • Washington, DC • December 2018 – December 2019
- As the SME for my designated AOR, I researched all-source reports in order to map out terrorist organizations and cells using Palantir, creating head charts and providing in-depth analysis and trends of those terrorist cells.

**Afloat Cryptologic Manager • USS Wasp (LHD-1) • Norfolk, VA/Sasebo, Japan • May 2016 – July 2018**

- Led a 14 person Ship Signal Exploitation Space (SSES) during operations in the 4<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Fleet areas of operations. Managed the collection, processing, and validation of 863,500 signals of interest, resulting in 3800 time-sensitive reports, providing critical indications and warning to fleet and national commanders.

**Du'Wan L. Morrison**  
**Collection Manager – Signals Analyst – Counterterrorism Analyst**

2328 Westport Lane, Crofton, MD 21114

Email: [d1m003@yahoo.com](mailto:d1m003@yahoo.com) • Cell: (619) 261-4308

- Designated as the SSES ISSO for SSEE Inc E and CCOP collection systems, I tracked maintenance, security scans, and file maintenance. Conducted scheduled Intelligence Oversight training for all personnel in SSES.

**Senior Manager • NIOC Georgia • Augusta, GA • December 2012 – January 2016**

- Senior SIGINT Chief • CJTF-HOA • Djibouti, Djibouti • October 2014 – October 2015
- Managed six SIGINT military operators and six civilian linguists in the collection of special intelligence in support of the AMISOM mission in the Horn of Africa.
- Assistant Cryptologic Resource Coordinator • USS Kearsarge (LHD 3) • Norfolk, VA • February 2013 – November 2013
- Managed all cryptologic tasking and collections for 28 U.S. and allied warships while in Commander 5<sup>th</sup> Fleet. Led a four member Cryptologic Analysis Support Element (CASE) team in the production of 52 technical briefs.

**Senior Analyst • Navy Cyber Warfare Development Group/NIOC Suitland • Suitland, MD • September 2009 – November 2012**

- Conducted intelligence research in support of unique collection efforts and programs.
- Oversaw a new collection system for use within the USSS.

**Instructor/SysAdmin • CID LS Hawaii • Pearl Harbor, HI • May 2006 – April 2009**

- Delivered 696 hours of Afloat Cryptologic Training for eight curricula to 112 students. System Administrator for the COBLU collection system. Managed network connectivity for seven computers associated with two curricula and assisted fellow instructors in maintaining equipment while TAD.
- Combat Trainer • Twenty-Nine Palms • Twenty-Nine Palms, CA • June 2008 – October 2008
- Delivered 72 hours a week of intense operational training to 2,239 Marines on the Counter Radio Controlled Improvised Explosive Device Electronic Warfare (CREW) system and EW fundamentals. Managed \$3.5M of CREW equipment.
- Electronic Warfare Officer • MWSS-371/MWSS 373 • Al Taqaddum, Iraq (TQ) • January 2007 – September 2007
- Managed the CREW program at two Forward Operating Bases. Trained 280 Marines on EW and CREW systems. Checked vehicles with CREW systems for maximum ECM protection before they left the wire for each convoy.

**Direct Support Collection Analyst • NSGA San Diego/NIOC San Diego • Coronado, CA • April 2003 – April 2006**

- Stress Tester • Stress tested a new version of Ship's Signal Exploitation Equipment (SSEE) at SPAWAR in order to find weaknesses and faults in the system prior to operational launch.
- Collection Supervisor • USS Ogden (LPD-5) • San Diego, CA • November 2003 – June 2004
- Led three Sailors in the collection and reporting of 3<sup>rd</sup>, 5<sup>th</sup>, and 7<sup>th</sup> Fleet tasking to Fleet and National decision makers.
- Collection Supervisor • USS Milius (DDG 69) • San Diego, CA • December 2004 – July 2005

**Du'Wan L. Morrison**  
**Collection Manager – Signals Analyst – Counterterrorism Analyst**

2328 Westport Lane, Crofton, MD 21114

Email: [d1m003@yahoo.com](mailto:d1m003@yahoo.com) • Cell: (619) 261-4308

- Led three Sailors in the collection and reporting of 3<sup>rd</sup>, 5<sup>th</sup>, and 7<sup>th</sup> Fleet tasking to Fleet and National decision makers.

**Collection Analyst • USS Bonhomme Richard (LHD 6) • San Diego, CA • May 1999 – October 2002**

- Provided critical Indication and Warnings in the 3<sup>rd</sup>, 5<sup>th</sup>, and 7<sup>th</sup> Fleet areas of responsibilities. Provided training to operational THIRD fleet units during pre-deployment exercises. Designed and maintained the Bonhomme Richard SCI website using Microsoft FrontPage 2000.
- Configured and updated the COMBAT DF host table as needed for proper connectivity and optimal operation.
